

# Stadium Operations Report

**Full Name:** Simon Pollock

**Week Ending:** 2025-11-28

Timezone: Europe/London (GMT+00:00)

## Section 1: Stadium Operations

Category	Details
Works Completed This Week	Pitch salted to cope with overnight temp drops. Ken Simpson visited to inspect the North and South Stands broken retention cables. No impact to the safety of the stands, However will need to be replaced. Awaiting quote to repair.
Planned Works for Next Week	Repair of home shower floor by Grande Construction on Monday onwards. Players will use away showers till repair is complete. Emergency lighting repairs will start by Grande Construction and most of the low level faults will be addressed. Awaiting Rogerson's to replace the faulty instant hot water tap. Followed up again but still not in. Said it should be any day now.
